Short Description of How Nominee Intend to Contribute To The Chapter

2000 to 2005 Formative Years

SPMI grows from a membership of less than 200 with a debt of over S\$35K to a membership of over 2000 in 2005 and a decent positive Cash Balance of over 60K.

2006 to 2010 Consolidating Years

SPMI has continue to offer more programs and activities and strengthen its relationship with the REPs and Institutions of Higher Learning. By 2010, membership has grown to 1,500 and a cash asset of over S\$200K. The Annual Symposium is recognized not as a major project management event in Singapore and regionally.

2011 onwards Is it Stagnation or Growth?

We have done very much the same and will achieve decent result based on the strong foundation that we have built.

Mr. Tan Kim Khim, Roland is seeking the mandate from the members to serve you as the Treasurer in the Executive Committee. I intend to work towards achieving the following strategic objectives of the Singapore Chapter.

1. Continue to develop Governance and Fiduciary safeguards, building upon the foundation that the past Treasurer have laid.
2. Enhance the reputation of the Chapter, enlarge the scope of networking and professional development for our members.
3. Strengthened and enhance the recognition and social standing of project managers and develop career and job opportunities for our members.

I look forward to be able to continue my contribution to the Local Chapter in preserving and enhancing the value that we offer our members and to help in nurturing a new generation of leaders that would be able to bring the organization to greater heights.
