20 Bendeemer Road, #04-02 CyberHub, Singapore 339914

Section 2:

Short bio-data of the Nominee (max 500 words):

I, Wang Kefei (Frank), have more than 14 years of working experiences. I started as a software developer and later took different roles like development manager, project manager. I joined Oracle in 2004 and currently working as Principle Solution Architect for Oracle Corporation (Singapore branch). My responsibility is to enable and support Oracle's partners, including ISVs, System Integrators and value-added distributors. I guide them to adopt latest Oracle technologies and help them to design, review and improve their solution architectures to serve their enterprise customers that have projects with large deals.

I graduated from Nanjing University (China) on 1998 and received my MBA degree in Hong Kong. I have obtained my PMP in 2002.

Short description of how Nominee intend to contribute to the Chapter (max 500 words):

I would like to lead the chapter to create more benefits for the members. I will work with the board to provide more services to members (like e-learning, job fairs, etc) and obtain more PDUs with less expense.

I will also emphasize the need to have more volunteers by providing opportunities with new services.
