Short description of how nominee intend to contribute to the chapter

I am seeking Your Mandate to Serve as a Vice President in the SPMI Executive Committee.

- It is not for personal glory or for business reasons.
- It is to fulfill a Vision, a Passion and a Desire to develop and enhance the prominence of Project Management in Singapore. It is a desire —
 - To promote Project Management discipline
 - To see Project Management recognise as a professional career in Singapore
 - To assist fellow Project Managers in their career
- To develop a more vibrant SPMI in the year ahead and be able to enhance the value and services we bring to the PM community
- To work with the Treasurer to ensure the Financial Reserve Policy is implemented,
- To improve the governance and efficiency within SPMI.
- To work with the PMI Region Mentor and other chapters in the region to promote collaboration amongst the chapters.
