“...while we’re masters of tactics, we typically know a lot less about how to work with the invisible, internal dimensions of teams...” — *Atta Emami*

# Facilitation

“The experience of perspective sharing delivered with neutrality” — M.-A. Langlais

# Perspectives

“There is truth in **everything**, be it infinitesimally small or blatantly obvious” — M.-A. Langlais

# Duality

“It is both right and wrong but above all it is different”  
— M.-A. Langlais

# World Views

“The lens through which I see **us** as part of **it** defines how I choose to see things” — M.-A. Langlais

# Orders of Consciousness

“Our need for evolution is a testament to our intolerance of what and who we actually are” — M.-A. Langlais
