

**Oscar de Bok** is the Chief Executive Officer (CEO), DHL Supply Chain, Asia Pacific. Based in Singapore, he is responsible for driving continued profitable growth, delivery of world-class operations and providing leadership to the 35,000 employees across 14 countries in the region.

Oscar brings a wealth of experience to the role having worked in the logistics industry for nearly 25 years during which time he has held a number of senior leadership roles within DHL Supply Chain, including CEO for DHL Supply Chain South and Southeast Asia since 2010, where he was responsible in establishing DHL's presence in several emerging markets.

Before moving to Asia, he held the position of Managing Director for the DHL Supply Chain business in the Nordic & Baltic Region, where he successfully led the largest corporate integration in the transportation and logistics industry to date - the incorporation of Exel.

Earlier in his career, Oscar held the role of Managing Director at DHL Supply Chain Spa, and other senior positions at various organizations including Danzas and the Nedlloyd Group, where he started his career in logistics.

Oscar graduated from the State University of Groningen in the Netherlands, and holds a Master's degree in both Business Law and Private Law. In his spare time, he enjoys sailing, skiing, cooking, soccer, travelling and acting. He is married with three children. In addition to Singapore, has also lived in Italy, the Netherlands, USA, and the Czech Republic.
